Gift and Endowment Information

Gifts and endowments help in attracting and educating top quality students, rewarding and retaining top quality faculty and promoting the growth of the department. We would be delighted to discuss further with you how to make a gift or establish an endowment in your own name or the name of a loved one. Endowments may also take the form of naming a laboratory or the department. Gifts of any size may also be made to the Electrical Engineering Development Fund to help the growth of the department.
